

DOG & PONY sound Disk CODES:

Just as ALL karaoke is not created equal... ALL karaoke disks as *not* created equal. There are many different manufacturers of karaoke disks. Songs are often reproduced in different keys and tempos.

We have attempted to take the guess work out of which version to choose by listing **only the version we think is of the **best** quality. - *Pony***

If you know which version you prefer, ask to see our Master Book. It contains EVERY track we own...almost 10,000 titles!
